Comments :

ApE - Agencija za prestrukturiranje energetike, d.o.o., Litijska cesta 45, 1000 Ljubljana is firm which produced LOCAL ENERGY CONCEPT OF MUNICIPALITY BREZOVICA in year 2012. AIS is collaborated with ApE especially with Matjaž Grmek (main author of Local energy concept). AIS gave to ApE a lot of information about biogas (state, policy, potential, feed in tariff). ApE included these information in their LOCAL ENERGY CONCEPT OF MUNICIPALITY BREZOVICA . We discussed about these topics on seminars, Advisory committee, telephone conversation).
